

Summer Scholarship Application

Thank you for your interest in Challenge Aspen's scholarship program for the **SUMMER 2018** season. Challenge Aspen offers scholarships twice a year, in the summer and winter seasons. **You must apply each season in order to be eligible for a scholarship for that season.** Applying for a scholarship or receiving a scholarship in the past does not guarantee that you will be accepted for a scholarship this season. Scholarship awards are based on financial need. Please note that if you are chosen for a scholarship, **you will be required to submit your latest tax return as proof of income.** Please keep these guidelines for your records. You will be notified upon review of your scholarship request, at which time we ask that you take responsibility for making your reservations as early as possible!

Challenge Aspen strives to make our activities accessible to as many participants as possible. We fundraise year round to provide scholarship opportunities. ALL of our program prices, by default, include a significant scholarship. We ask that you consider this when requesting a scholarship, assisting us in our goal to provide possibilities for as many of those with disabilities as possible. Thank you!

TRANSPORTATION AND LODGING

Scholarship recipients need to arrange for their own transportation to the Aspen/Snowmass area in addition to arranging their own lodging once they have arrived. Call **Stay Aspen Snowmass** toll free at (800) 262-7736. They can help you make these reservations and provide updated information on available discounts. It is always recommended to make these travel arrangements early.

REQUIREMENTS & POLICIES OF SCHOLARSHIP RECIPIENTS

Failure to comply with these requirements may result in being ineligible for future scholarships.

- Scholarship Agreement: must be read and signed upon notification that a scholarship has been granted.
 - Create a "Thank You" and/or program testimonial letter that will be sent to the people who make the Challenge Aspen Scholarship Program possible.
- Reservations made in advance: Reservations are required for all Challenge Aspen programs. Please plan in advance and make your reservations as early as possible. When you call, please let the REC Staff (Deb) know that you have been awarded a scholarship - and for how much.
- Cancellation Policy: If you make a reservation, but are unable to attend, you **MUST** call the Challenge Aspen office at least **14 DAYS** in advance to cancel, unless an extenuating circumstance exists. If you are a "no show" for a program and have failed to cancel in advance, the program fees cannot be refunded. Failure to notify Challenge Aspen of a cancellation could jeopardize any scholarship awards. We often have a waiting list for camps and program buddies and proper notice of your cancellation or late arrival allows us to accommodate others.
- Scholarships are non-transferrable and are for use by the accepted applicant only. If you will not be able to use the scholarship, you must notify Challenge Aspen immediately. Unused awarded scholarships cannot be applied to the next season or year.
- We encourage all participants to promote our programs.
